

Team: _____ Reviewer: _____ Score: _____/100

		4	3	2	1	0
	5					
Intro (x4)	Hooks us in!!! Establishes relevance and credibility to audience. Identifies the goal/need for the presentation. Establishes scope/framework/scaffolding for talk so that audience has an expectation drawing them through to completion.					
Lit. Review (x4)	Gives us the spectrum of possibilities/prior art/literature. Key credible sources/standards have been identified referenced. Efficient while free of spelling and grammatical errors.					
Design Rational (x4)	Provides only key steps governing design to justify down selection. Rational design matrix is presented and quantitative design down-select presented. Context and connections within larger rocket system considered.					
Action plan (x4)	Presents a path to realize design before competition with objectives/action items and timeline.					
Sum- mary (x4)	Efficiently reviews conclusions/results and provides a path forward. Leaves us confident and excited.
