ENDOWMENT INVESTMENT STRATEGY

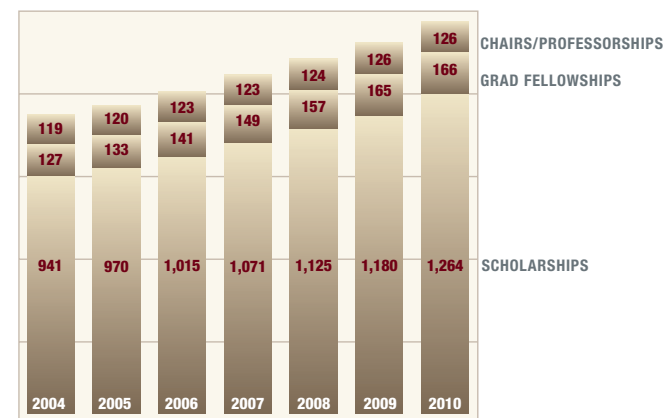

The investment objectives of the WSU Foundation Endowment Fund reflect its long-term nature. It is recognized that the desire to grow endowment gifts and to produce a large, stable, and predictable payout stream involves tradeoffs that must be balanced in establishing the investment and spending policies. Considerations that shape the Fund's objectives are outlined here:

- Produce a relatively predictable and stable payout stream each year
- Maintain purchasing power of the assets over the investment horizon
- Balance the support of present and future generations of students and faculty.

In accordance with the WSU Foundation's bylaws, the WSU Foundation Investment Committee is responsible for investments, reinvestments, and general management of the endowment. The committee establishes policies for investing capital, monitoring and reviewing investment performance, establishing appropriate benchmarks, and managing the investments.

DISCLOSURE OF FEES

The WSU Foundation imposes small fees on certain forms of gifts. The purposes of these fees vary and fees are not charged on all types of gifts. Some fees are charged to recoup specific charges by third-party vendors per contract for various services. Others are designated to recoup expenses incurred by the Foundation during the ordinary course of business. A portion of these fees also helps to create a revenue stream to cover some Foundation operation expenses. All fees are subject to change without notice.

Annually, a 1.5 percent advancement fee is charged to the Foundation endowment. This fee is paid out quarterly and is calculated based on the 36-month rolling average of the endowment's market value. Other costs associated with the endowment include investment management fees, custodial costs, and consulting expenses. All performance figures of the Washington State University Foundation endowment are net expenses.

For more information about this or other fees, visit <http://www.wsufoundation.wsu.edu/about/management-policies.html>; or call the Foundation at 800-GIV-2-WSU (448-2978).

HONOR ROLL OF DONORS

FISCAL YEAR 2009-2010

LEGACY ASSOCIATES of WASHINGTON STATE UNIVERSITY

Formerly the Century II Club, the Legacy Associates are those individuals who have included Washington State University in their estate plans, leaving a legacy for future generations. Estate gifts have a tremendous impact on the University, representing more than one-third of the total \$268.6 million endowment, which provides a stable and perpetual source of support for students, faculty, and programs at WSU.

These thoughtful gifts come to the University in a number of ways, including bequests through Wills or Living Trusts, naming the WSU Foundation as a beneficiary of life insurance or retirement plans, or through other planned giving arrangements such as charitable remainder trusts or charitable gift annuities.

HONOR ROLL OF DONORS

FISCAL YEAR 2009-2010

ENDOWMENTS of WASHINGTON STATE UNIVERSITY

At the end of fiscal year 2010, the number of endowed funds for Washington State University reached 1,823. These funds provide tremendous annual support for student scholarships, distinguished professorships and chairs, graduate fellowships, and numerous other academic and research programs at WSU.

An endowment establishes a permanent fund that is prudently invested to provide ongoing annual support to the program or purpose specified by the donor. Donors may contribute to any of WSU's endowed funds or create a new fund for a specific purpose. The minimum contribution for establishing an endowed fund is \$25,000, which may be contributed over a period of time. WSU's endowments range in value from \$25,000 to more than \$3 million.

When an endowed fund is established, it is named according to the donor's wishes. Many donors choose to name endowed funds to reflect a lasting legacy in their names or in the name of someone they wish to honor.

The entire WSU family salutes all of the generous individuals and organizations whose lasting influence will be felt through their establishment of or contribution to endowed funds. Listed in alphabetical order, the following endowments were established on or before June 30, 2010.
